

Our customs business faculty has a very interesting 3-days program for the students in April. Under the supervision and assistance of the WCO they organize a business game ( a kind of simulation) for the students. It will be held on the 24,25,26 of April at our academy. We want to invite your students (3-4 years) to participate in it. The general topics are e-commerce and authorized economic operator. There is full information on our site (Only russian version) [http://rta.customs.ru/nrta/index.php?option=com\\_content&view=article&id=3423](http://rta.customs.ru/nrta/index.php?option=com_content&view=article&id=3423) but if your students are interested in participation we'll give full information in English. We plan to give them places in our hostel so this means that participation and accomodation will be free. We'll meet them the airport, organize the cultural progam etc.
